Daily Fast-Selling Products Report — 2026-11-13

Stores covered: 🇺🇸 Amazon.com · 🇦🇪 Amazon.ae · 🇸🇦 Amazon.sa · **Data confidence:** Medium (see note at the end)

1. Today in 30 seconds

- **Top pick 🇺🇸: Dog snuffle mats & puzzle feeders** (unchanged, 11/13).
- **Top pick 🇦🇪🇸🇦: Ramadan hosting & décor sets** (unchanged, 11/13). It stays first because of the deadline: stock must be at Gulf FBA by about 20–25 Jan.
- **Biggest mover: Car detailing kits ↑ 10 → 11/13**, now tied for first and the **best all-rounder for all three stores**. On Amazon.ae, a 10-piece microfiber cloth set ranks #6 in Automotive with only **7 ratings**, so it is very easy to enter.
- **New: Oud / bakhoor-scented car air fresheners** for the Gulf stores (10/13).
- **Next events & stock deadlines:** Deal submission for White Friday / Black Friday closes **19 Nov (6 days)**. Amazon US Black Friday Week runs **19–30 Nov**. Ramadan ~8 Feb 2027.
- **Action for today:** Order 2–3 **car detailing kit samples** from different suppliers (about $15–25 each with shipping) and wash-test the towels when they arrive. It is cheap, works in all three stores and needs no certificates.

4. Top pick deep-dives

The two top picks are unchanged: see the snuffle mat (10 Nov) and Ramadan set (11 Nov) deep-dives, and the car detailing kit (12 Nov). Today's deep-dive is the new Gulf entry.

🆕 Oud / bakhoor-scented car air freshener (Amazon.ae, Amazon.sa)

- **Product idea:** A **3-pack of hanging fragrance cards or vent clips** in Gulf scents (oud, bakhoor, musk, rose-oud) with premium Arabic/English packaging. Add a refill pack later for repeat sales.
- **Unit economics (example: 3-pack at AED 39 on Amazon.ae):**

Item	AED
Sale price	39.00
Referral fee (~10%)	−3.90
FBA fee (small, light, estimate)	−7.00
Landed cost (incl. 5% duty + 5% import VAT, estimate)	−6.50
Ads (~15%)	−5.85
Net profit / unit	**≈ AED 15.75 (≈ 40%)**

Amazon.sa: similar at SAR 39–45; budget for 15% import VAT.

- **Differentiation angle:** The top sellers (Godrej, Little Trees) sell Western scents at AED 5–21 with 3.8–4.1 star ratings; the most common complaint for this kind of product is that the scent fades in days. Lead with **"long-lasting oud, 30+ days"** and luxury packaging that works as a small gift.
- **Validate before ordering:** search "معطر سيارة عود" and "oud car freshener" on both stores; test how long 3 scent suppliers last in a hot car (Gulf cars reach 60°C+ in summer).
- **Risks: Liquid or oil-based fresheners can be classed as dangerous goods** (flammable), which complicates FBA. Choose **dry hanging cards or solid gel** and ask the supplier for an SDS (safety data sheet). Heat can make some gels melt or leak; test before ordering.

5. Changes since yesterday

- **Up:** car detailing kits 10 → **11** (competition 3 → 2, based on the Amazon.ae microfiber evidence); men's grooming 8 → 9 (Amazon's Black Friday small-business spotlight).
- **New:** oud/bakhoor car fresheners (10, Gulf); serving & charcuterie boards (8, US).
- **Merged:** reusable makeup remover pads added to the K-beauty tools niche (Amazon.sa Beauty #1 is disposable pads).
- Countdown: **6 days** to the deal deadline and US Black Friday Week; about 10 weeks to the Ramadan stock deadline.
